Meeting Format and Content

The June 2019 RAB meeting was presented in a poster session format to provide an opportunity for community members to engage in an informal dialogue with project team members.

Presentation boards and a continuous loop PowerPoint presentation were on display at the RAB meeting. Handouts were available for further information. Information presented included the following:

- The History of Herbicide Orange at NCBC Gulfport (posters)
- Off-Base Drinking Water Sampling (posters)
- Status of Construction of the Roller Compacted Concrete Cover on Sites 8 B&C (continuous loop PowerPoint presentation)
- Review of cleanup actions completed at NCBC Gulfport (continuous loop PowerPoint presentation)

Key Concerns Expressed by Community Members

There were no concerns expressed by community members at the June 2019 RAB meeting.
